# **WE ARE STILL OPEN!**

In consideration of the ever-evolving COVID-19 pandemic we now offer telehealth appointments for all patients as well as the ability to come in for your regularly scheduled appointment. The health and safety of our community is our highest priority. We will continue to be in touch daily with local and state health officials, following all expert guidance and protocols.

# How to check in for your video visit

1 Use a computer or device with camera/microphone

2 Enter your clinician's doxy.me web address into the browser

3 Type in your name and click check in

- ✓ Secure
- ✓ No software to download
- ✓ HIPAA compliant
- ✓ No registration needed

4 Allow your browser to use your webcam and microphone

5 Your care provider will start your visit

## Call Tips

- Have a good internet connection
- Restart your device before the visit
- Use the [Start Test](#) button in the waiting room
- Need help? Send us a message <https://doxy.me>
