Dear Dennis:

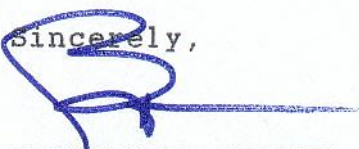

Before we file away memories of Convention and get back to the daily office routine, we'd like to thank you for your presentation to our members last week. Some of these comments from our Convention critiques say it all:

"Very necessary information given"  
"Very timely"  
"I enjoyed the honest, direct approach"  
"Extremely helpful"

You were able to take a dry subject and turn it into an interesting class - a challenge for any presenter whose class is scheduled right after lunch!

Thank you again for joining us and giving our members a great presentation. Please send us a statement on the cost of your hotel room at the Statehouse Inn.

Sincerely,

  
BARRETT F. RAINEY  
President/CEO
