

OPPOSITES IN COUPLES

Opposites ATTRACTThen they REPEL

The quality that you LIKE in your partner in modest amounts (a quality that is opposite from you, and that you probably need to learn from)..... DRIVES YOU CRAZY in larger amounts

Individuals in a couple can either both move closer to the MIDDLE where they differ..... or POLARIZE on opposite ends

WHAT ARE YOUR DIFFERENCES?

WHAT ARE THE POSITIVE (usually modest) EXPRESSIONS OF YOUR DIFFERENCES, AND WHAT ARE THE LARGER EXPRESSIONS AND THE EXTREMES?

(Examples: well organized can become controlling in larger amounts and domineering in the extreme;

It's opposite of spontaneous can become impulsive in larger amounts and reckless in the extreme)
